## News From The Churches

These News items are more than just interesting stories. They can become idea starters in your church. We will put the church phone number at the end of each news item. If you think something like this would be good for you, call them and get more details. Who knows, you may find a sister church with whom to work.

**Ben Williams** who leads **Springdale Mission** is involved in mobilizing people to assemble and ship water filtration units to Southeast Asia in the Tsunami relief effort. If you or your church desire to send donations you may do so through our International Mission Board. You are assured that 100% of your donation will be used in direct relief efforts unlike some other organizations who use a portion for administrative costs or reserve capital. You can get information on the net through resources.imb.org/worldhunger. To contact Ben, call 944-9984.

Our **Hispanic Mission in New Albany** has called **Dr. Mark McClellan** as Pastor. A former missionary to Guatemala, Dr. McClellan teaches missions at Southern Seminary.

**First Baptist of Henryville** has called **Ben Nobles** as their new Pastor. He is a student at Southern Seminary and served First Baptist of Henryville as Youth Minister prior to being called.

**Sue Cline** of **Hanover Baptist** is part of a trio that is available to come to your church and sing. Sue is an accomplished vocalist and Bob Bailey said she is one of the best he has ever heard. They are available for music support in revivals, concerts or special music. If you are interested, call (812) 866-2682.

**Dr. Annette Beasley**, member of **Harrison Hills Baptist Church** provides a food and clothing ministry in conjunction with her practice in New Albany. She will add Pastoral Counseling to it in a partnership with **Graceland's Barnabus Center**. She is a good model of taking the Gospel to one's workplace. (949-2490)

**First Baptist of Corydon** is studying Share Jesus Without Fear on Wednesday evening and plans to start Team Kid in February. They have grown by four fold in the last 2 1/2 months and much of it has to do with intentional evangelism **Ryan Lyons** is pastor. (812) 738-3257

**Hanover Baptist** began a basketball ministry in January that is reaching out to about 170 children and teenagers on Saturday. They have 10 games back-to-back and each is begun with a short word from Scripture. Not only do their parents hear it but so do their friends and family who have come to watch them play. **J. D. Traylor is Pastor.** (812) 866-3073

**Utica Baptist** began 40 Days of Purpose on January 30th and they are looking forward to a great experience. They preceded this with a direct mail campaign to over 5000 homes. **Scotty Carpenter is Pastor.** (812) 288-7728

**Fellowship Baptist in Hardinsburg** is debt free for the first time in 22 years. Bill McCray led them in a unique note burning ceremony. He cut the not into 90 pieces so every one could have a part in the ceremony. That's a wonderful way to show that all had a part in liquidating their debt. (812-723-2077)

## Building Healthy Church Workshop Tuesday, March 15th 7:00 p.m. at the Ministry Center

In many ways, church health is more important than Church growth. You are invited to attend this timely workshop led by Mike Hoffman of the Florida Baptist Convention. Mike will identify the elements that comprise a healthy church as well as strategies to get there. There's plenty of room so bring others from your church.

If you need directions to our ministry center go to our website under "directions to churches" or call us at 948-8777.

## Georgia Mission Trip Canceled

Our partner association in Georgia has informed us they will not be hosting us for our mission trip to them in March. Several plan B's have been attempted and have failed. We will focus instead on our July trip to South Dakota.

## South Dakota Mission Trip July 8th—16th

We are quickly filling up our quota for this trip so if you wish to go, let us know ASAP. We are limited in the number of people we can take based on the ability of the churches in Rapid City to host.

To make sure all who want to go can do so, we are setting a deadline of March 15th and a \$100 deposit needs to be in by that time. The balance of \$200 is due on May 1st. We will be working with some Native American churches in the Rapid City area doing block parties and light remodeling such as painting.
