News from the Churches

These news items are more than just interesting stories. They can become idea starters in your church. We will put the church phone number at the end of each news item. If you think something like this would be good for you, call them and get more details. Who knows, you may find a sister church with whom to work.

New Hope, Greenville and New Beginning, Salem use Yahoo groups to minister to and inform members during the week. The group at New Hope is a general group addressing all topics while the group at New Beginning focuses on Women's Ministry. See our website for information as to how you can be part of a group. Go to joining a group and link up with people of similar interest and tasks within our churches.

Georgetown Southern and Oak Park recently held block parties to promote their VBS. Both experienced good results and this sounds like an idea many of our churches could use.

New Hope, West Liberty Kentucky is in need of building groups to help construct their new facility. It will house fellowship space and new Sunday School classes. This would be a great project for a men's ministry to spend a long weekend or for a youth group to wind up their summer. Your contact at West Liberty is **Alonza Dixon** and his email is newhope@mrtc.com.

Harrison Hills, Lanesville is nearly finished their latest addition. If you're driven by their church you may have noticed a lot of campers because they use Campers on Mission. If you have a building project coming they are a wonderful group to use. For information on how to get in touch with them email Gail Hack at bob6334@aol.com.

Lighthouse Church in Shelbyville, Kentucky has purchased a church near downtown Shelbyville. They still own property just off the interstate but this facility will give them a place to grow and worship. Lighthouse is one of our three Kentucky churches who choose to be a part of our Association.

Annual Meeting Focus on Evangelism

Our annual Meeting will be held at First Southern Floyds Knobs on Friday, September 23rd. The first session begins at 4:00 p.m. See our website for complete details.

Training Punctuates August

Two Training events are planned for later August and each is designed to help area churches reach people. On August 23rd we will host a Family Ministry Workshop led by Bill Carmichael of the Florida Baptist Convention. It will be held at Graceland and begins at 7:00 p.m. A full detail is found on our website under "Upcoming Events."

A Sunday School Workshop will be held on Saturday, August 20th at Highland Baptist in Georgetown. It begins at 9:30 a.m. A complete schedule can be found on our website as well.

Mission Team goes to South Dakota

Fifteen people from six of our churches went to the Rapid City area of South Dakota and conducted evangelistic block parties for churches there. Much of the work was done among the Lakota Indians and we were able to strengthen their work among children and families. If you would like to schedule the block party trailer for your use, call us at 948-8777.

Women's Resource Center is Growing

Our Choices For Women Resource Center will be opening a center in Corydon in October. We have also partnered with an existing center in Scottsburg and plans are underway for a center in Madison.

Saving babies is our primary mission but other needs surround that task. The New Albany Center has doubled its space and will offer supplies like diapers, baby food and clothing. We will also do budget counseling and preliminary plans are underway to do Sexually Transmitted Disease testing.

Go to our website and click on "Women's Resource Center" in the main menu for our "[Walk for Life](#)" on October 1st. This would be great project for the teenagers in your church.
