News from the Churches

These news items are more than just interesting stories. They can become idea starters in your church. We will put the church phone number at the end of each news item. If you think something like this would be good for you, call them and get more details. Who knows, you may find a sister church with whom to work.

Leadership is a concern in many of our churches. Some have grown rapidly while others are plateaued and both have a need to develop more leaders. **Graceland** will host a workshop looking at a leader development system that has served them well. The workshop will be held on Tuesday evening, June 7th at 7:00 p.m. at their church. Consult the website for more details or call 944-6448.

Tommy Hullett, Pastor of **Cross of Calvary, Corydon** has attended an intensive training seminar on Children's Ministry and would be a good source for strengthening your skills in that area. Give him a call and see if he can help you 738-2034.

Alonzo Dixon, Pastor of **New Hope in West Liberty** shares that they are planning an addition due to their rapid growth in recent days. If you're looking for a mission project that includes construction give him a call at (606) 743-4920 or call the Association office at 948-8777.

Jesus Is Lord, our Hispanic Ministry in Clark and Floyd Counties is growing and plans to move into a permanent location for worship and discipleship. **Mark McClellan**, Pastor of Jesus Is Lord said they had 27 in worship recently.

Speaking of our Hispanic ministry, **Elma Say Ruiz** is getting ready to begin discipleship groups in North Clark County and Harrison County in an attempt to begin two new congregations in these locations. Pray for her and those she will enlist to join her in this work.

Have you ever tried to conduct a **Servant Evangelism** project? With more daylight available this could be a good ministry for a lazy summer evening. For information on how to carry this out call us at 948-8777. By the way, **Graceland** has a well developed program and they go out on Saturdays. You are welcome to join them to see how it is done and they are willing to help you get started. Call Nancy Shain at 944-6448 or email her at Nancy.Shain@qualitypark.com.

First Henryville and **Highland, Georgetown** have had success in their Sunday morning greeter system. If you want to make this more intentional call Bob Bailey at 948-8777.

This year's **Secretary of the Year is Kim Taylor of New Beginning in Salem**. Kim wears many hats serving also as Church Clerk and Youth minister. Her pastor, Scott Huffacre, says her enthusiasm is contagious. Congratulations Kim.

****Are you looking for music for your choir or praise team? A new feature planned for our website is a listing of anthems and praise team songs that are in the inventory of our churches. All churches listed have agreed to let other churches borrow copies of everything listed. If your church would like to participate, send us a listing of your inventory of music you have 10 copies of. Remember, sending us this list commits you to allow sister congregations to borrow them.

This listing should be on our website in about a month.****
