

Southeastern Signal

Vacation Bible School Workshop

Saturday, May 19th

9:00 a.m. to 1:00 p.m., Graceland, New Albany

This workshop has been one of the most effective events in helping a church get ready for the biggest evangelistic thrust in Southern Baptist life. Tracey Coke has put together another strong faculty providing leadership in all age categories plus outreach and craft ideas. This could be four of the most productive hours of your church year. Go to our web site for a complete schedule and leaders. Our web address is www.seindianabaptist.org.

Choices for Women to Relocate

New Centers on the Horizon

Choices for Women will soon relocate its New Albany Center near the corner of Spring and Silver Streets in New Albany. God has enabled them to purchase a new office building and two adjacent houses. Our client flow has grown tremendously averaging 140 people per month and this new location places us in an area where 70% of our clients live.

The need for additional pregnancy centers is also being addressed. A new center will soon open in the Hanover/Madison area and another is in the planning stages for Corydon. God has richly blessed our efforts for life just as He said He would. Pray for the Center's leadership in this move and expansion.

Florida's Team Visits Southeastern

A team from the panhandle area of Florida came to Southeastern to assess the need for mission teams coming our way this year and the years to follow. Several pastors shared their needs in building projects and evangelistic thrusts. We also shared some remodeling needs for the Choices for Women relocation.

If you have a project that could use a team of volunteers, contact us at (812) 948-8777. If you sponsor a team, you will provide housing and meals while they are on the field.

Pictures for History Needed

We are writing the 50-year history of Southeastern Association to be distributed at the Annual Meeting in 2008. We are gathering pictures of the early days and we'd like to use some from as many congregations as possible. Call us if you have one you think would be interesting. We will make arrangements to pick them up and get them back to you as soon as they are digitally copied. Our number is (812) 948-8777.
