#### Church Planting Banquet

October 24, 2008 at 6:30 p.m.

Southeastern Baptist Associational Building/615 Park E Blvd., New Albany, IN

Sponsored by: SCBI & Jim Downey / Church Planter Strategist

The Church Planting Team of SEIBA led by James Bullock has given their support for this Church Planting Banquet, the first under our new State Strategy for Church Planting. As your Church Planting Strategist for this region, I would like to invite all Pastors, Staff and laypersons who want to support or learn more about Church Planting in the Southern Region of our State.

I have always believed very strongly that Churches Plant Churches and that one of our greatest needs in Indiana is for Healthy Pastors, Pastoring Healthy Churches, Starting Healthy Missions.

The Banquet is free to all so come out on the 24<sup>th</sup> and find out how you &/or your Church can change your neighbor's eternity. If every Church in SEIBA took some part in Church Planting; i.e. promote, pray, led out or send out people into the harvest, we can and will make a difference for God's Kingdom.

Each Pastor &/or Church should have received a letter explaining more about the banquet. However if you have any questions, please do not hesitate to call my cell phone at 765-620-6895 or e-mail me at [jdowney@scbi.org](mailto:jdowney@scbi.org)

In HIS Service,

*Jim Downey*
