WELCOME, FRIENDSHIP BAPTIST CHURCH!

Rev. Johnny Knuckles is the pastor of Friendship Baptist Church, founded in 2006 and located in a residential neighborhood at 824 Thomas St., New Albany, between three schools, which is a great place to grow. They currently have a traditional Summer Camp Facility, Pleasant Valley Youth Camp, that minister to two (2) age groups: Six to eighteen years of age. The cost for a four night Retreat is \$80.00. The Camp is available for retreats, picnics and hayrides. In addition, future plans include a Youth Center and they are working on their second Building Project and expect to move into their new Auditorium in May of this year. Growth has been steady and they are excited to see what God will do. Rev. Knuckles says, "We are strongly committed to Neighborhood Evangelism and World Wide Missions. We are watching the Word of God begin to change a neighborhood."
